About iHELP®

iHELP® is an affordable private student loan program sponsored by local banks. The iHELP® student loan is designed to cover the gap between the cost of education and a financial aid package, generally consisting of scholarships, grants and federal student loans. iHELP® gives students and their families the opportunity to work with a real person, who knows education loans inside and out. The iHELP® program is administered by RSLFC, a company with more than four decades of student loan expertise. For more information on the iHELP® private student loan, please visit ihelploan.com.
